DUKANE

MFG Part #	Product Description	MSRP	AV Discount	AV Price
AV7420	The AV7420 speaker system includes a 2x2 ceiling tile speaker, 20W desktop amp and 50' of speaker wire for a complete audio solution.	\$1,249.00	50%	\$624.50
Hear WMIC1A	The system consists of a small light weight lanyard held transmitter with an attachable mic that sends the voice signal via a digital encoded bit stream at high speed to a receiver. The receiver converts the digital bits stream back to regular audio output can then be coupled to an audio amplifier and speakers.	\$649.00	50%	\$324.50
HS11	The iHear® HS11 padded headset with built-in microphone is designed for the classroom.	\$65.00	50%	\$32.50
HS10	Dukane HS10 Wired 3.5mm Headset with Microphone	\$60.00	50%	\$30.00
WMIC2B	iHear WMIC2B	\$649.00	50%	\$324.50
